# 1968 Torch

presented by the students of

St. John's High

Winnipeg, Manitoba

# **In Memoriam**

**Mr. Roland Hunt**

**Mr. Hunt was for many years a valued member of the staff at St. John's. His contribution to technical matters in the operation of the school, his easy good nature and humor, his concern for the welfare of the students made him a man who will long be missed by all who knew him.**

# Mr. Ryckman's Message

To the Graduates:

"Wisdom is the principal thing, therefore get wisdom, and with thy getting, get understanding."  
Prov. 4:7

So it is written in the Scriptures. More recently Albert Einstein expressed similar sentiments when he wrote, "It is essential that the student acquire an understanding and a lively feeling for values. He must acquire a vital sense of the beautiful and morally good."

In educational circles and other spheres of our social environment this has been a restive year. To be a "protester" seems to be the "in" thing to do, and I would be disappointed in you if you were willing to accept without query or protest many of the ills which beset our society. To merely protest, however, is not enough. Mere protestation is easy and calls for no constructive action. Your protests must be accompanied by positive suggestions and decisions and YOU must make those decisions.

In every decision there is an "I" and a "Thou" or a "We" and a "They," for all problems must be resolved not only as it affects you but also as it affects others. A problem may be like two boys squabbling over an apple. As they squabble, the apple lies dirty in the dust.

Certainly our aim at St. John's is to train independently acting and thinking individuals--individuals whose actions are not prompted solely by what they want for themselves but rather young people who see in the service of their fellow man their greatest life challenge.

And you, I trust will not do less than those who went before you in your personal achievements and your contributions to the happiness and welfare of mankind.

A.J. Ryckman

# Torch Editorial

## Ken Berezowski--Editor

This year has been a memorable one for all who were acquainted with the Torch Staff. A great deal of joking and "fooling around" has occurred within the Torch Room walls the past 200 days. This has included ping-pong tournaments, soccer and hockey games, handball tournaments, a firing range, and last but not least, a refuge for F.B.I.'s. It truly has been a fine year for all connected with the Torch including those who did some work and sat around the rest of the year doing nothing. To these people I have one thing to say, and that is, "F.Y.I.T.H.'s."

Throughout the past year I have found out what a tremendous task it is to make a yearbook without the co-operation of the student body and with certain teachers who refuse to co-operate. I do not want to disclose their identities at the present moment because of future events which might happen to a certain person if I do.

At numerous occasions, obstacles have stood in the way of the progression of the yearbook, but they have been met head on and defeated by a number of different people on the staff.

Even though there have been many delays during the year, this yearbook, the 1968 edition of the Torch, will be as good as any other yearbook published, and I hope will surpass the 1967 Torch which was the best edition put out up to that time.

At this stage, I would like to thank myself many times over for all the new ideas placed into the 1968 Torch. I would also like to thank Pat Iveniuk, who took care of the financial end of the book, making sure we would not "go in the hole" this year. Again another first for the '68 Torch! Much appreciation goes out to Duane Kelln, the Layout Editor, who helped plan many parts of the book.

Many thanks go out to Ray Michalenko who helped us with his creative ability to make the yearbook a bit more presentable. I would also like to give a credit to George Bochna, Grads Editor and his Grads staff for the fine work done on the grad write-ups. I also thank Brian Postl and Andrew Tarasuik and Joanna Ehrich who gave up their valuable time to do sports write-ups and other odd jobs for the Torch, eh Brian. Special thanks go to Phyllis Kuhtey, our Secretary and Typist who was always ready to give her time to the Torch.

Special mention must be given to our Photographers who focused much of their time on the Torch. Last but not least I would like to give my deep appreciation and gratitude to Mark Ivenuik and Tom Ostry who assisted me every way possible throughout the year.

Now away with congratulatorys. Within this yearbook are many jokes about fellow students and teachers, and I sincerely hope that these will be taken in good humour and not seriously.

Mr. Boyce and Mr. Nicholson, TMOWRBABH, have assisted the Torch more than any other teachers in the school and should be regarded with much courage.

I would now like to end this editorial with the Torch motto, "If you think the Torch is bad, look at the Torch Room!"

# Senior High President's Message

Mark Iveniuk  
1967-1968  
President

Considering the extremely small number of people who actually read articles such as this in this annual school publication, I will keep my "message" down to a minimum in length, as a sort of "thank you" to all of you reading this article so that you may continue your annual picture-browsing spree.

First, a little explanation.

This slot is reserved for each year's president who, by the way, is urged by each respective year's yearbook editor to write a few hundred words for a two-fold purpose: one is for the sake of cluttering up another 8 by 10 inch "balanced" page so the editor can meet his deadline with the printer; the second purpose is that of almighty "tradition".

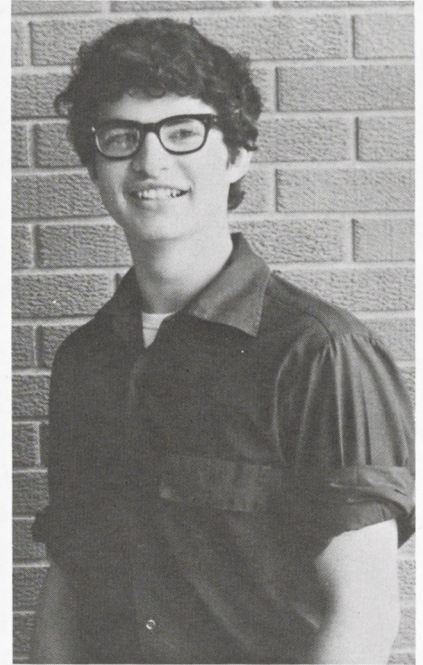

By "tradition", as far as this message is concerned, I refer you to the general format which is aimed at having the reader reminisce "joyfully" of his supposedly "well spent time in school, meeting and sharing these experiences with new people having been exposed to our fine educational system.

When we think back over the last year we either will, as previously stated, "reminisce joyfully" or write off the year as a boring loss. Before this decision is made, realize that the past year is what we individually made it. However, if we think about it, those who had a poor time during the year were stricken by that infamous scoundrel, "APATHY".

The increasing presence of this apathy, a lack of interest, has become very evident in this last year. This is not, however, mainly the fault of the students, who, I must add, are the unfortunate victims of circumstance. In the school, we were confronted by a new "time-saving" lunch system which did have its benefits, but only to those indifferent people who had a dire need to get home as soon as possible to watch cartoons on television. But those who actually wanted to participate in the many aspects of school life found themselves "short" of time for their mentally, physically, and socially challenging extracurricular activities. This confusion of what to do in a limited amount of time brought about some of this apathy!

The students were also exposed to our "fine educational system" whose sole purpose is not to create broadminded and humanistic citizens to build a better society, but to cram obsolete information into our originally inquisitive minds, stagnating them and directing our ambitions to narrow, petty and selfish ends.

And then there were the "teachers". Many of the members of the St. John's teaching staff, as is the case in every other educational institute, are fine individuals interested in building a better tomorrow by developing our minds today and turning them to creating a more humane and just world. These are the people whom I greatly respect and honour just as do the rest of the student body. You will notice the emphasis on the word "teachers". By "teachers" I mean that contemptible minority of people who have little or no interest in the students themselves but only in their monthly cheque and the 3:15 dismissal. They regard this time burdensome and not an enjoyable experience which it should be thought as. My former explanation of what most of the staff is like is my definition of what a teacher should be. This latter group is obviously not interested in the type of work they are doing and the students again are the ones who suffer.

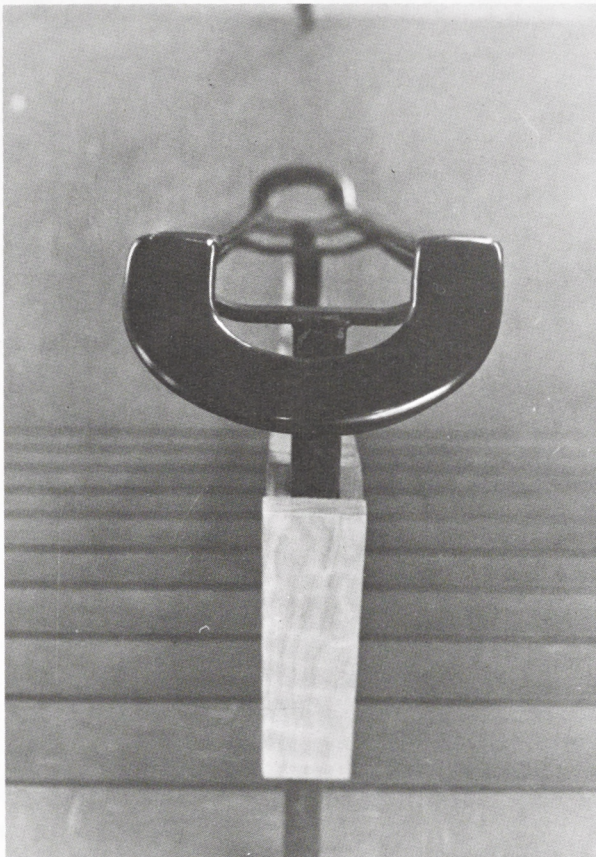

Jody Leven  
1967-1968  
Vice-President

Apathy sets in and takes a greater toll once again.

These are some of the causes for the apathy within our school but this apathy is created in our cultural environment, in our society which is in immediate need of reform and reconstruction. We the students of today must try to cure the ills of the world. We must be realistic in how we approach our problems but we MUST avoid the type of "practical thinking" which has gone into incorporating 2200 people, varying by as much as 8 years in age, under one roof resulting in an impersonal and indifferent school society which is unfortunately a foreshadowing of the type of world we will live in, that which is described in "1984" by its perceptive author George Orwell.

# Junior High President's Message

Richard Juchnowski  
1967-1968  
President

Ginny Ivanicki  
1967-1968  
Vice-President

Another year has passed for Junior High students at St. John's. We have made new acquaintances and friends and have many memories of events in Junior High. For some it is the last year of Junior High. Going into Senior High we will strive for higher goals in education.

I would like to extend my deepest thanks to Mr. Burdz, Mrs. Witwicki, Mr. Toews, and Mr. Margolis for all their assistance during the past year. Many thanks also to our Vice-President Virginia Ivanicki for her assistance. Everyone has been wonderful all year and I give my deepest gratitude to one and all.

This year has passed by quickly and was quite successful. I have had great experiences and exciting moments. It was a great honour to be president and a year that I will remember.

May all the future years have many joys and wonderful endeavors.

Good luck and best wishes to all my fellow students.

## Junior High Council Report

The Junior High Council of this year decided to leave their mark in St. John's history in the form of three very successful dances.

The first dance, entitled "Lightworks," was held on December 1 with the Finders Keepers providing the beat. All were surprised to find a well-known student teacher up on the stage contributing his talents on the organ.

In November, it was decided that the Junior High will try having their own yearbook next year on one year trial basis.

When May 3 came along, the lights of the gym were again dimmed. An up and coming group, the Collectors, played for this, the second Junior High dance and were challenged by St. John's own, famous, and very original "Teachers' Band" during intermission.

Still brushing silver decorations from their shoulders, the Council plunged ahead into preparation for the Grade 9 Graduation Dance. It was held on May 31 and had one of the best turn-outs in years. Everyone loved the sound and light show of The Other Five. Several teachers joined in the dancing, too. The food served was delicious! As everyone waddled home to make out a diet schedule or soak their poor maltreated feet, Council closed the doors on a busy year for all.

## Senior High Council Report

Traditionally this space in the Torch has been filled with an account of the year's activities in Student Council. Not being one to greatly respect tradition, I would like to take this opportunity to editorialize after a very brief summation.

The Council Executive for 1967-68 consisted of Tom Ostry--Secretary; Cy Fien and Howard Butler--co-treasurers; Lauren Orne--Social Chairman; Terry Fogg--Publicity Chairman; Irene Kanchir--Rings and Pins Chairman; Arna Beloff--Constitution Chairman; Marianne Palmer--J's and Awards Chairman.

The main accomplishment of Council this year must be regarded as the allocation of \$435 to purchase and install an electric scoreclock in the gym next fall.

Charity Week raised some \$800 which was divided among the Canadian Cancer Society, the Heart Fund, Oxfam and our foster child--Wong Yolk Sui.

The structure of Council was revised; a poll on the issue of a smoking room was circulated among the parents; unfortunately the initiator did not finish the poll or collect any valid results.

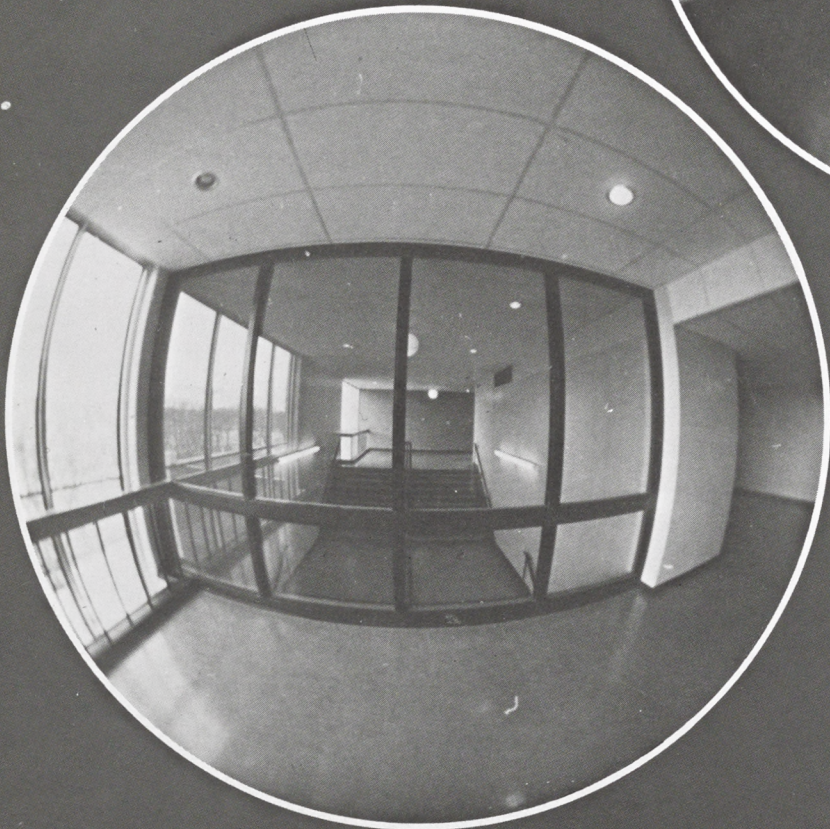

However, neither this nor any other year can be regarded as a successful year for Council. The job that Student Government at St. John's is doing is an unimportant and insignificant one. This will continue to remain so as long as two factors, each of which contribute to the other, continue to exist. These are rampant student apathy and massive office control of student affairs and mistrust of students.

The apathy is caused in part, if not totally, by the "public school mentality". After ten to twelve years of strict discipline, senseless rules and regulations, and a prevailing atmosphere which treated kids as somewhat less than equal human beings, most students have given in to the system. They no longer have any desire to oppose heavy-handed authority.

The system has done its job. It has crushed the creative initiative of another generation.

# The 1968

Christiane Laucht

We, the graduates of St. John's High School are here today to close one chapter of our lives and begin another. If we look back to the day when we rather apprehensively climbed the steps of our first school, a bit fearful of what lay ahead of us, we cannot fail to recognize how much we have developed and experienced in the intervening years. And we must also realize that we did not grow alone, that our parents, our teachers, and our friends, were always there to guide us, and share in our successes and failures.

Today, we are once again looking apprehensively to the future, but this time it is a future which we must face largely on our own. We must venture forth into the world trusting the experiences and knowledge we have gained in school, and remembering that, as stated in the Princeton Review: "Education is not learning; it is the exercise and development of the powers of the mind, and the two great methods by which this end may be accomplished are in the halls of learning or in the conflicts of life."

What have we learned in these "halls of learning"? We have, of course, acquired skill in our academic subjects: reading, writing, and arithmetic; and in more

recent years in the more sophisticated subjects such as mathematics, literature, and physics; and, we have gained cultural or athletic experience in activities such as the Drama Club, choirs, basketball, volleyball, the Historical Club, the Torch and Techonian, football, and a host of others.

But surely we have also learned, with the help from our parents and teachers, to overcome barriers of race and religion, to respect the point of view of the other person, and to appreciate the beauty, the truth, and virtue in our environment. Therefore, to our parents and teachers we extend our thanks for the patience and perseverance that they have exercised while helping us to grow towards maturity.

And another group that we cannot forget, on this, one of the most important days of our lives, is our friends. Without them life would be empty, for we would be empty, for we would have no one in whom to confide or with whom to share the joys and sorrows of life. But fortunately true friendships can never be destroyed, even the poorest may possess this greatest of treasures.

This, then, is what we have learned in our school years. Now, as we of the graduating class are about to enter the "conflicts of life", and as we look at the world around us, we see many conflicts, above and beyond our own personal struggles. War rages in Vietnam and the Middle East, peoples are clamoring for

## Graduation Day

On Friday, May 24, The Grade 12 students reached the climax of their school life; it was the day of their graduation. The graduates had come together to say a final good-bye to St. John's. The exercises were held in the afternoon at St. John's United Church. Family and friends had also gathered together to take part in the closing exercises. It was a happy, yet sad occasion. On one hand, it marked the end of high school and yet it also signified the beginning of new prospects.

After the march of the graduates, the choir, under the direction of Mr. Shand, sang "The Lord is My Shepherd". Mr. Ryckman, in his speech, reviewed the highlights of the past year. Christiane Laucht gave the Valedictory speech on behalf of the students.

# Valedictory

independence, even within our own country, hatred prevails among the different races and religions, instability prevades the world economy. And the threat of war hovers over us.

The world challenges us, and may sometimes discourage us, and therefore, we should keep in mind two things. The first is progress for the betterment of mankind. We cannot help but marvel at the advances that have been made in the fields of science, agriculture, transportation, technology, and medicine. The second is the hope and faith with which men like Albert Schweitzer, Dag Hammarskjold, and Martin Luther King Jr. have begun laying the foundations for world peace and the brotherhood of man.

God grant that we may go out in the world in a spirit of optimism and love, and may He give us the strength, the will, and the courage to reach "Usque Ad Astra"--Even to the Stars!

Rabbi I. E. Witty, the guest speaker, in his address, commented on our changing world and how we must adapt ourselves to it. Following a solo by Belva Spiel, the school and book awards were presented. The choir then sang "Jerusalem" and everyone joined in. The audience remained standing while the graduating classes marched out. The president, Mark Iveniuk passed the Torch to the president-elect, George Botchna.

That evening at the International Inn the graduates held their final social associated with St. John's: dinner and dancing with music by Jimmy King and his Orchestra. Following the Inn, many couples went on the Paddlewheel Queen for a midnight cruise up and down the river. This is one day and evening not to be forgotten.

This year's Governor General's Award winner was once again a student with outstanding scholastic and extracurricular achievements. As well as scholastic excellence, Robert has achieved high standard in extracurricular activities. He is well known as a member of the Reach for the Top Team which was in the provincial final. He also played an active part in the Maths and Chess Clubs. He wrote the Mathematics Competition Examination and placed first in Manitoba, and he also wrote the Manitoba Physics Competition Examination. Robert also gained recognition in Maclean's magazine through his achievements in Science.

As well as winning the Governor General's Medal, Robert was presented with two other awards at Graduation Services-- one for highest marks in Maths and Physics and the other was a Memorial Scholarship.

# Charity

On December 7, renowned folk singers Zhdan Rudnyckj and Ed Smith added to the Charity Week festivities. The singers got together especially to entertain St. John's students for 304's project. For an engrossing hour, strains of old and new folk songs drifted into the halls outside the lecture theatre. This performance was enjoyed by all present.

This year's Charity Week was held between December 4th and 8th. The number of events held this year was decreased because of the split lunch hour. Some of the featured events were sales of donuts, chocolate bars, hot dogs, raffles and movies. The largest money-raiser was the basketball game between the Winnipeg Blue Bombers vs. the teachers. There were plenty of pulsating dances with bands such as St. John's own Pumpkin Tree. The total profit made was \$891.43. This money was distributed among the Foster Parent, Retarded Children. OxFam, and Canadian Cancer. All in all we can say that our Charity Week was very successful.

# Week

The biggest success of Charity Week was the now famous basketball game between our St. John's all-star staff and the Winnipeg Blue Bombers. This worthwhile endeavor was the brainchild of 325, grossing over \$100 for charity on December 6. The crowd thrilled to such greats as Holubci Holowka, capt., Demolition Dmytryshyn, Leggs Leggero, Mighty Melman, Hunkie Hinkle, Oddball Osterman, Toothpick Burdz and Basher Buchinski. Noticeable by his absence from the lineup, but not by his oratorical splendor, was that all-time great Russ Pastuck, A.M.A.N. A.Q.E.D. Right from the word go, The Blue ran away with the game but let the teachers win, 32-27.

At the Bomber-Teachers' game to everyone's surprise five cute little cuddlies emerged from the hidden cracks of St. John's. This frivolous fivesome was handled by Miss L. ( Cookie ) Hodgson. The other 4 cheerleaders were Miss J. ( Eggmixer ) Endersley, Miss E. ( Happy ) Knapp, Mrs. C. ( Dissecting ) Thexton, and Mrs. L. ( Wild ) Wood. These ladies came strolling into the gym half way through the game. Carrying homemade St. John's pennants and wearing everything from way-out mini-skirts to slacks. Immediately after they entered the eyes of all viewers were focused on them and mouths were drooling. With their entrance the spirit of the game rose 100%.

## EDUCATION:

### THE END

Study. Learn. Listen. Skip.

For twelve years and more,

The same cycle

--repeating

--never ending.

Then it's over.

Why go on?

You're finally through.

It's been your goal, hasn't it?

A few stumbling blocks here and there,

But you've managed it.

Twelfth grade: the end.

Is it really?

No?

Why?

It's just the beginning for many.

A first step to real learning,

to self-expression,

to self-understanding.

A profession.

A fulfilment of life.

Nothing left.

The end?

--Brenda Grushko, XII-224

### MATURITY

A state of mind? An age we reach?

Is it found in books or what schools teach?

Does one person inherit it from father to son?

Is it a real thing or merely a purposeful pun

On life? Is it sold in stores in bottles of pills?

Is it bought in pot or grass or poppy pills?

Can I steal it from those who seem to possess

This gift? I don't know. I can only guess

In the hope that when I've attained this "goal"

It will fill the void in my life and soul.

--Brenda Grushko

XII-224

Upon the consideration and deep contemplation of the  
problems now facing the human species as a whole,  
I have decided without doubt that our nebulous situation  
shall one day be shown the light,  
However due to the probable length of time that shall  
pass before this incumbent awakening,  
And the total lack of patience upon the part of men,  
the most logical conclusion is that we shall someday  
have to fight.

I want to be free.

Green cheese and sour maionaisse upon the rocky shore.

Forever and forever but not before.

Completeness pounds unheard, unfelt upon the door.

To look at life and then to live no more.

I want to be free.

--Robert Steinberg, XI-304

## Poetry

### INSPIRATION

Come, all you life takers,  
Fly with me, make time stop.  
Pound with furious zeal,  
Take up the unreal.

Fantasy for a mind is reality for us,  
Life, no "eternal wound of existence".  
Our chains we will not allow to rust.  
Strike out with hard long thrust.  
Push and enter our virgin life,  
Gently now, tenderly, we must gain trust.  
Yield not to present pain,  
Insight, pleasure, we shall gain.  
Rush strongly, enter, now  
Feel the warmth in the night.  
Hold her now, hold her secure, tight.  
Fly together, you and life,  
Reap the fortunes of victors.

Shall we all die?

No, sweet life, we shall reign supreme.

Universe of knowledge

Will not cut

Our transparent chains.

Come, all you life takers.

Fly with me?

--Ron Gilewicz, X-203

And you want to be alone  
in a fairyland of freedom  
But you can't escape the tortures that  
remain upon your brow  
And there upon a hillside greeting you  
with open fingers  
Is a girl of which you know not but  
her beauty leads you on  
And once upon her smile, you take  
her hand in yours'  
Her eyes they do see through your warming  
body and the stillness  
of your mind.

And you think to spend some time with  
her-- forever in a while  
For you saw the hill receding in the outline  
of a meadow  
And there was a path that led on down  
the banks of shaded river  
So you lay beside her peacefully alone  
not any more  
But she faded in the waters now turned  
misty as the color  
of your mind.

And you know she cannot leave you  
in the cool blue shimmered waters  
for the waters run to oceans and the ocean  
is the vastness  
of your mind.

Bob Fuhr, XI-223

### LONELINESS

Tis not only the sorrow of sadness  
But for the empty life to lead;  
Can it drive thyself to madness,  
Searching for love you need.

When none pay you any mind,  
Though your intentions are good,  
It makes thyself want to find,  
That thou art forever understood.

One day you shall dominate all,  
As you so very well know,  
For one day you shall hear the call,  
And your love shall ever grow.

So till tomorrow hath come,  
Do not forget your destiny:  
Which may be important to some,  
And one day you shall strive for many.

--Darcy Bedard, X-228

### THE FLOWER

Protected carefully in the warm, black earth,  
A tiny seedling of a flower is found,  
Slowly and shyly it grows,  
To creep out of the ground.

One tiny, insignificant being in a fast-flying  
world,  
Don't be lost, poor child, alone,  
Happy and contented, forced to be unfurled,  
No choice is given, no path is shown.

Jade Leaves, crimson head, beautiful flower,  
Old and wise you are in this immortal universe  
You have lived a human life,  
For now you have the power.

--Kathy Cobor, 8-215

### TELL ME

Please tell me where you've gone,  
Oh tell me where you are,  
Is it something I've done wrong?  
You can't be very far.  
What made you go,  
It wasn't long you went away  
I have to know,  
Tell me why you didn't stay.

You said that someone called you,  
I didn't understand,  
You'd leave because you had to,  
Go to another land.

You said this was goodbye for good  
When you left me at my door,  
And although you wished you could  
You wouldn't see me anymore.

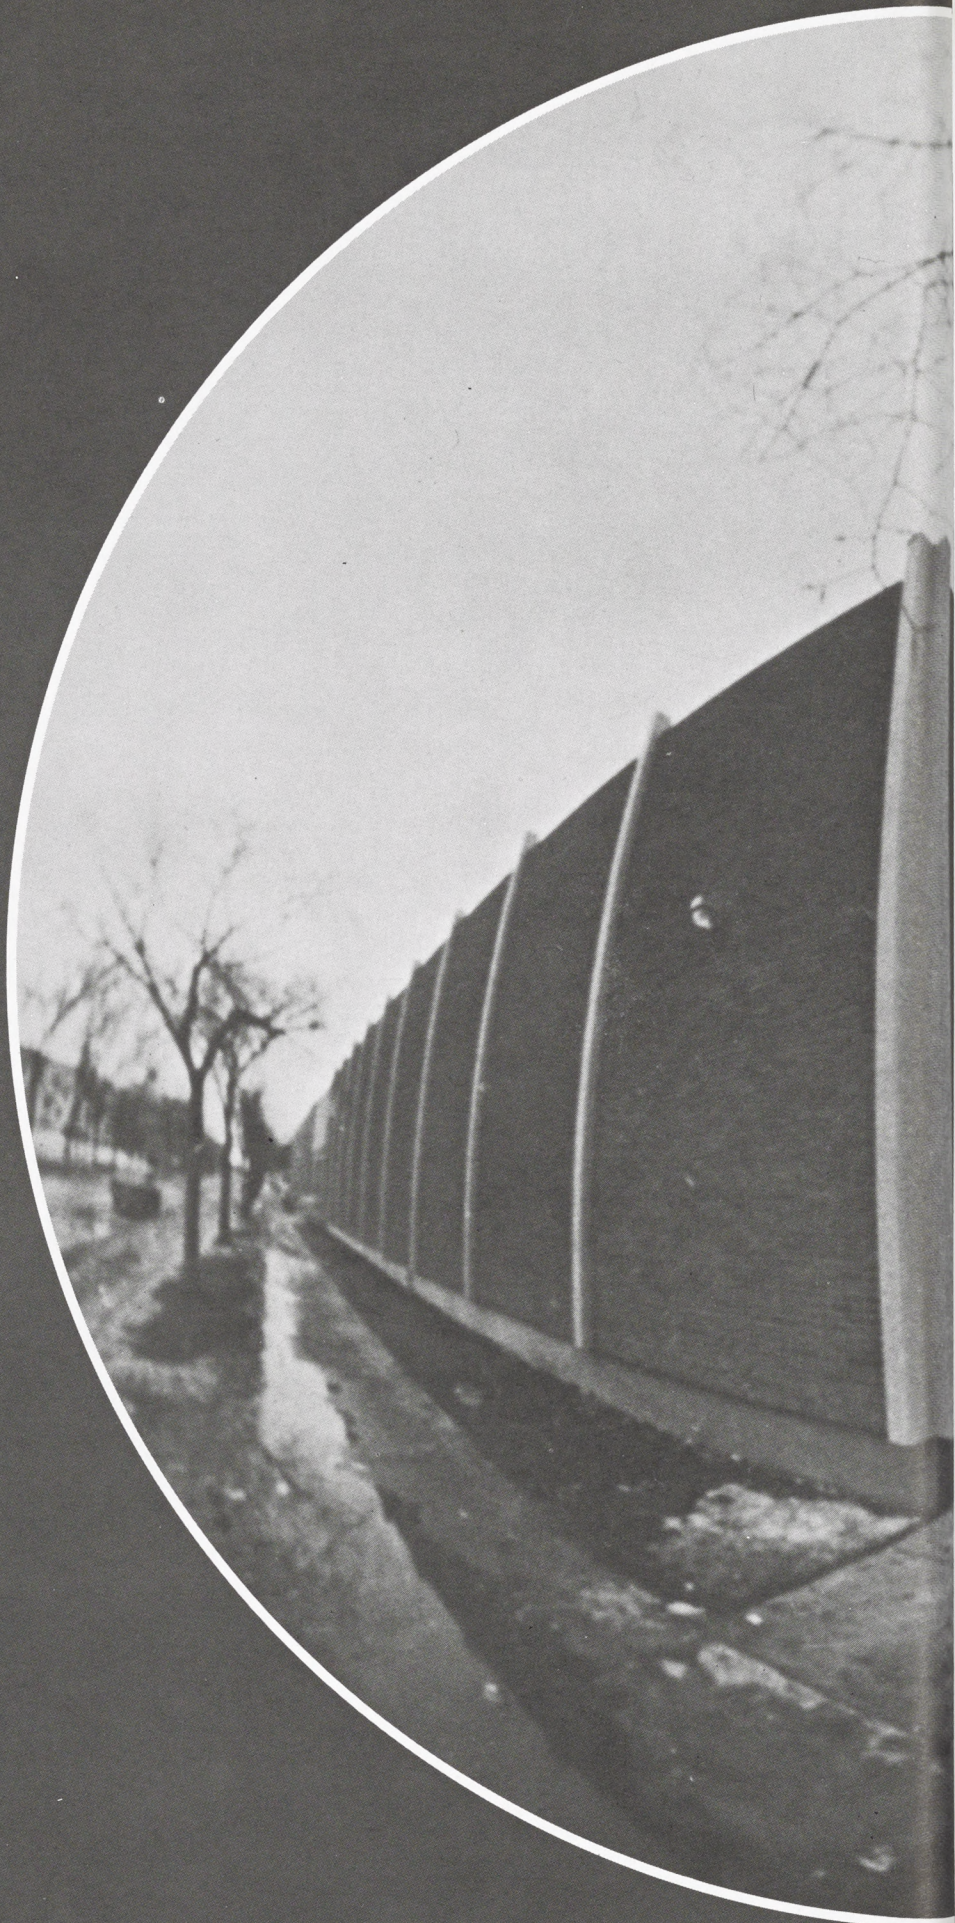

That night after you said goodbye  
I thought that you weren't true,  
I sat alone and had to cry,  
My thoughts were just of you.

I just couldn't understand  
I thought you were with some girl  
I didn't know by another land  
You meant you'd leave this world.

So please tell me where you've gone  
You've always been so true  
And if it will be long  
Before I'll be with you.

## Home Economics Club

The Home Economics Club was started on an experimental basis this year and was open only to Grade XII students. The highlight of the year was the International Day, which was held in January, and at which dishes from many countries were served buffet style. Other presentations were made by club members and guest speakers. It was a very successful year and it is hoped the club will be continued next year. The executive consisted of: Judy Mikula, Alyce Gillman, Christiane Laucht and Helen Stachurski. The executive would like to thank Miss Endersby and Mrs. Woods for their invaluable assistance.

## Ukrainian Torch

The "Smoloskyp" would like to thank all who donated their help in any way to publish the paper, especially Mr. Prochuk, the advisor and the secretaries. Some valuable members of the Smoloskyp were Bohdan Zajac, Allan Buhay, Orest Chumak, Orest Martynowich, Marta Hnatiw, Irene Kuziw, Ihor Holinka, Margaret Diduk, Luba Fedorkiw and Ihor Sychylo. The editor this year was Yarema Shulakewych.

## Music Club

This was the first year for the Music Club under the supervision of Mr. Shand. The executive consisted of: President - Brenda Grushko, Vice-President - Jim Marnoch, Secretary - Christiane Laucht. Their program ranged from classical right through to popular. The best program was the pop concert featuring St. John's band of boys, the "Pumpkin Tree". Surprisingly enough, the Music Club proved to be one of the most successful clubs this past year. We hope there will be another successful Music Club next year.

# Clubs

## Historical Club

Under the supervision of Mr. Margolis, the Historical Society met periodically in Room 209 and discussed various subjects of current interest. The highlight of the year was an interesting field trip to Fort Alexander. Members included: Barbara Shoib, Carolyn Dickey, Sharon Love, Robert Steinberg, Brenda Grushko, Ricky Kraut, and Shirley Geller. Brenda Grushko and Ricky Kraut are to be commended for their efforts on behalf of the class. All in all, the club was a success and had a very enjoyable year.

## United Nations Club

This year's U.N. Club proved to be very active in many ways. They collected for U.N.I.C.E.F., sold Christmas cards, etc. Two of their most important programs were the Model United Nations held at Grant Park High School in which Luba Fedorkiw and Ann Mendelson attended. Also there was a Brandon Seminar during August of 1967. Throughout the year, they concentrated on the subject of Viet Nam and the U.N. The year was very enjoyable and successful.

## Drama Club

The Drama Club received instruction in the Stanislavsky method of acting from Mr. W. Butler, and worked in mime. Mr. David Barnet from MTC spoke to the club, but no production was attempted this year because of conflicting events. The co-presidents were Gity Shklarsky and Belva Spiel. Belva was also secretary-treasurer. The vice-president was Arlene Kushnir.

## Red Cross Club

This year's club was very successful through chocolate bar sales and dances. We managed to collect a large sum of money which is given to charity. Members of the club also did volunteer work at Children's Hospital and at the St. Agnes School for girls. This year was one of the most successful for the Red Cross.

## The Directors

by Johann Strauss

As the curtain rose on the evening of April 23rd, the tension was high. After months of practices and rehearsals, opening night was at hand. However, when the curtain fell, and the applause went up the cast, orchestra, and all associated knew Pink Champagne was going to be a success.

The audience was spellbound as Dr. Falke staged his tricks and Rosalinda and Alfred jealously competed at the ball. Each of the four nights of the operetta was a success as revealed by the response of the audience.

Tears on closing night showed the congeniality which had grown between those who participated. As well as working hard the cast and orchestra had enjoyed a memorable and rewarding experience.

Thanks should go to the hard-working crew and supervising teachers - without whom the operetta would not have been possible. The make-up, lighting, sound, costume, publicity, and scenery crews worked hard beforehand and every night of the production.

Of course deep-felt thanks and appreciation go to Mr. Shand, Miss Milgrom, and Mr. Butler who gave their hours and patience in helping with the operetta. Without them Pink Champagne would not have been possible.

### Mr. Shand

This year St. John's was very pleased to welcome a new music teacher, Mr. Shand. Native Scotsman, Mr. Shand handled all the senior high music classes. He also organized a Music Club for the first time in St. John's. This club consisted of "Pop Shops" as well as folk and classical music sessions. Mr. Shand also played a large part in the organization of this year's operetta - Pink Champagne, and helped in the Variety Concert held in December. In addition to this, Mr. Shand was never too busy to help the individual who was interested. Our sincere thanks and appreciation go out to Mr. Shand for making the year at St. John's such a successful one musically.

## Miss Milgrom

For six years, Miss Milgrom has worked hard in the St. John's music department. In the short years that she has been here, she has taken full charge of all Jr. High and classroom choirs, various ensembles, notably, the orchestra. She has always taken an active part in the Operetta and in her "spare" time she manages to conduct the Greater Winnipeg School's Orchestra. Much of her time is spent organizing and rehearsing for concerts, band tours, and the Music Festival.

We are sorry to say that our Miss Milgrom will be leaving us this year and we would like to try to thank her for invaluable assistance and time she has unselfishly devoted to us.

The Best of Luck in the future from all of us at St. John's.

# Sophomore Dance

A week of enthusiastic campaigning preceded the Sophomore Dance here at St. John's but it was all rewarding for the new Queen and King. Wendy Lang and Myron Tarasiuk were crowned by last year's royalty, Christine Rymowicz and Ian Shaeffer. The princess and prince were Mary Fedory and John Richtscheid. The dance was held March 22.

## Freshie Dance

The annual Freshie Dance was once again held in October to welcome the Freshies to St. John's. A good time was enjoyed by all as they danced to the sounds of the Mantae. The highlight of the evening was the crowning of the Freshie Queen--Sherrin Scheller, and the Princesses--Edith Kozmanuk and Linda Masuriak. Thanks go to all who attended and helped make the dance-a success.

## Techonian Dance

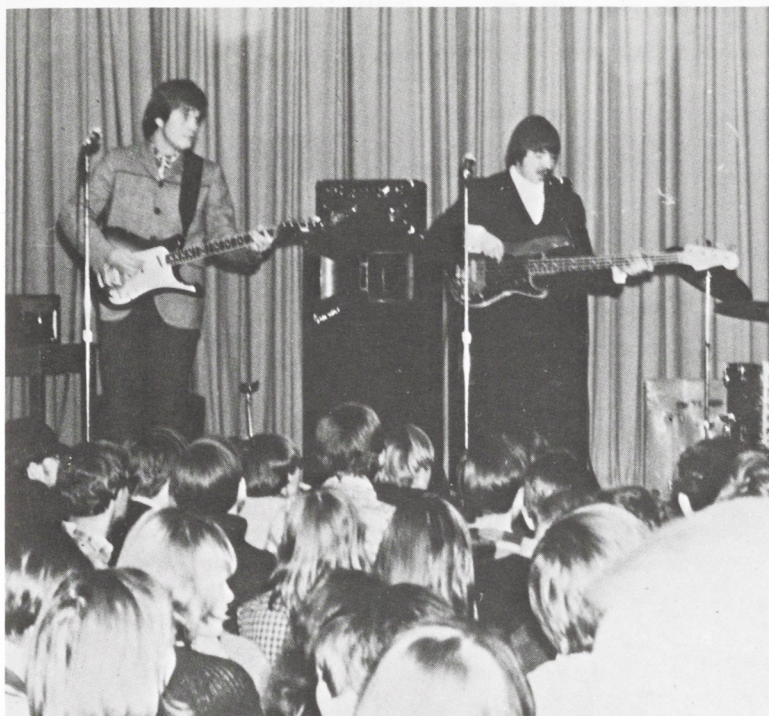

The annual Techonian Dance was held again at St. John's. It was sponsored by the Techonian and profits went to the aid of the school newspaper. Both Junior and Senior High students were invited and they danced to the sounds of the Electric Jug and Blues Band. All present enjoyed themselves. The Techonian would like to thank all who contributed in making the dance a success.

## Jr. High Dances

The first Junior High Dance, Lightworks, was held in December and featured The Finders Keepers. There was a very large turn-out which made the dance a real success.

The second dance was held late in the year, in May. The Collectors played making it a very enjoyable night for all who attended.

The "Guess Who" at the Cheerleaders Dance.

## Torch Dance

The Torch Dance was once again held to aid the finances of the yearbook. The Pink Plumm entertained both Junior and Senior High students. A good time enjoyed by all due to the hard work of the students, staff, and Torch Staff. The staff of the Torch would like to extend their sincere thanks to all who made the dance a success. The Pink Plumm dedicated "Soul Man" to Mr. Nicholson and "Run, Run," to Mr. Pastuck.

## Sophomore Dance

The annual Sophomore Dance was held in March for the Senior High students. The students danced to the sounds of the Luvin' Kind. All present were anxiously awaiting the crowning of the King and Queen, which occurred about mid-way through the evening. Wendy Lang was Queen and Myron Tarasiuk was King. Mary Fedory and John Richtsheid were Princess and Prince. All present thoroughly enjoyed themselves. Thanks to all who made the dance possible.

## Grade Nine Grad

To end the year, we had a Grade Nine Graduation Dance. Here the fantastic Other Five with their negative light show played for the Graduating classes. Refreshments were served and awards to the teachers were presented. All in all, it was a successful year.

The 1968 Soph King and Queen.

# Grade Nine Graduation

The Grade Nine Graduation was held on May 31, 1968 with The Other Five as our band for the night. The awards given out to the teachers were as follows:

Swinger of the Year- Mr. Promislow

Church Goer of the Year- Mr. Bochinski

Mr. Hyde- Mr. Leggero

Born Loser- Mr. Margolis

Twiggy of St. John's- Mr. Burdz

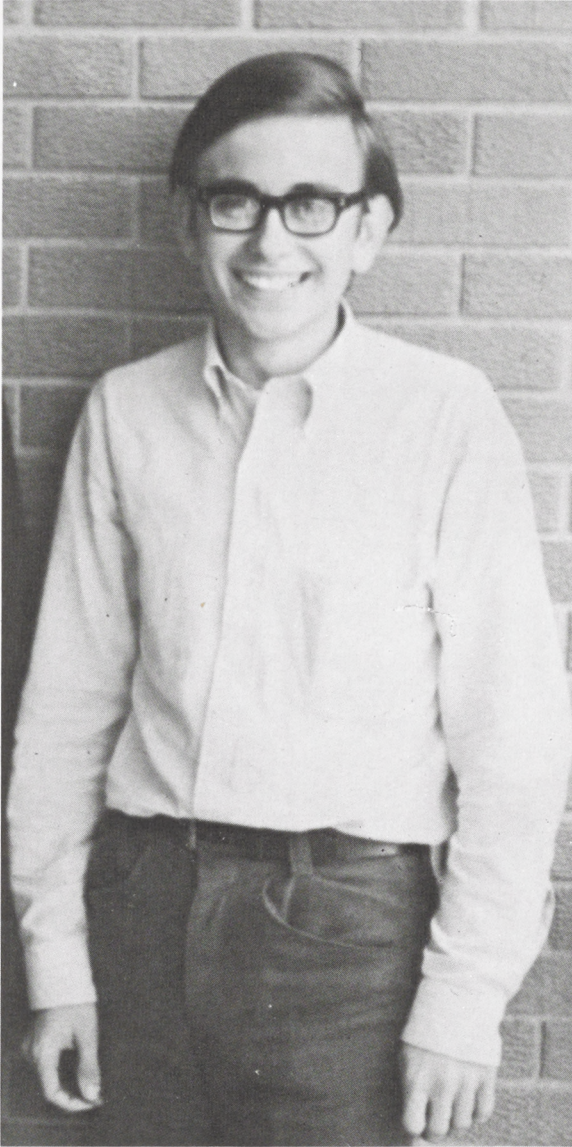

Number Award- Mr. Horchik

These are just a few of the many awards given out. The Grads were allowed to bring dates and all enjoyed themselves.

# The May Election

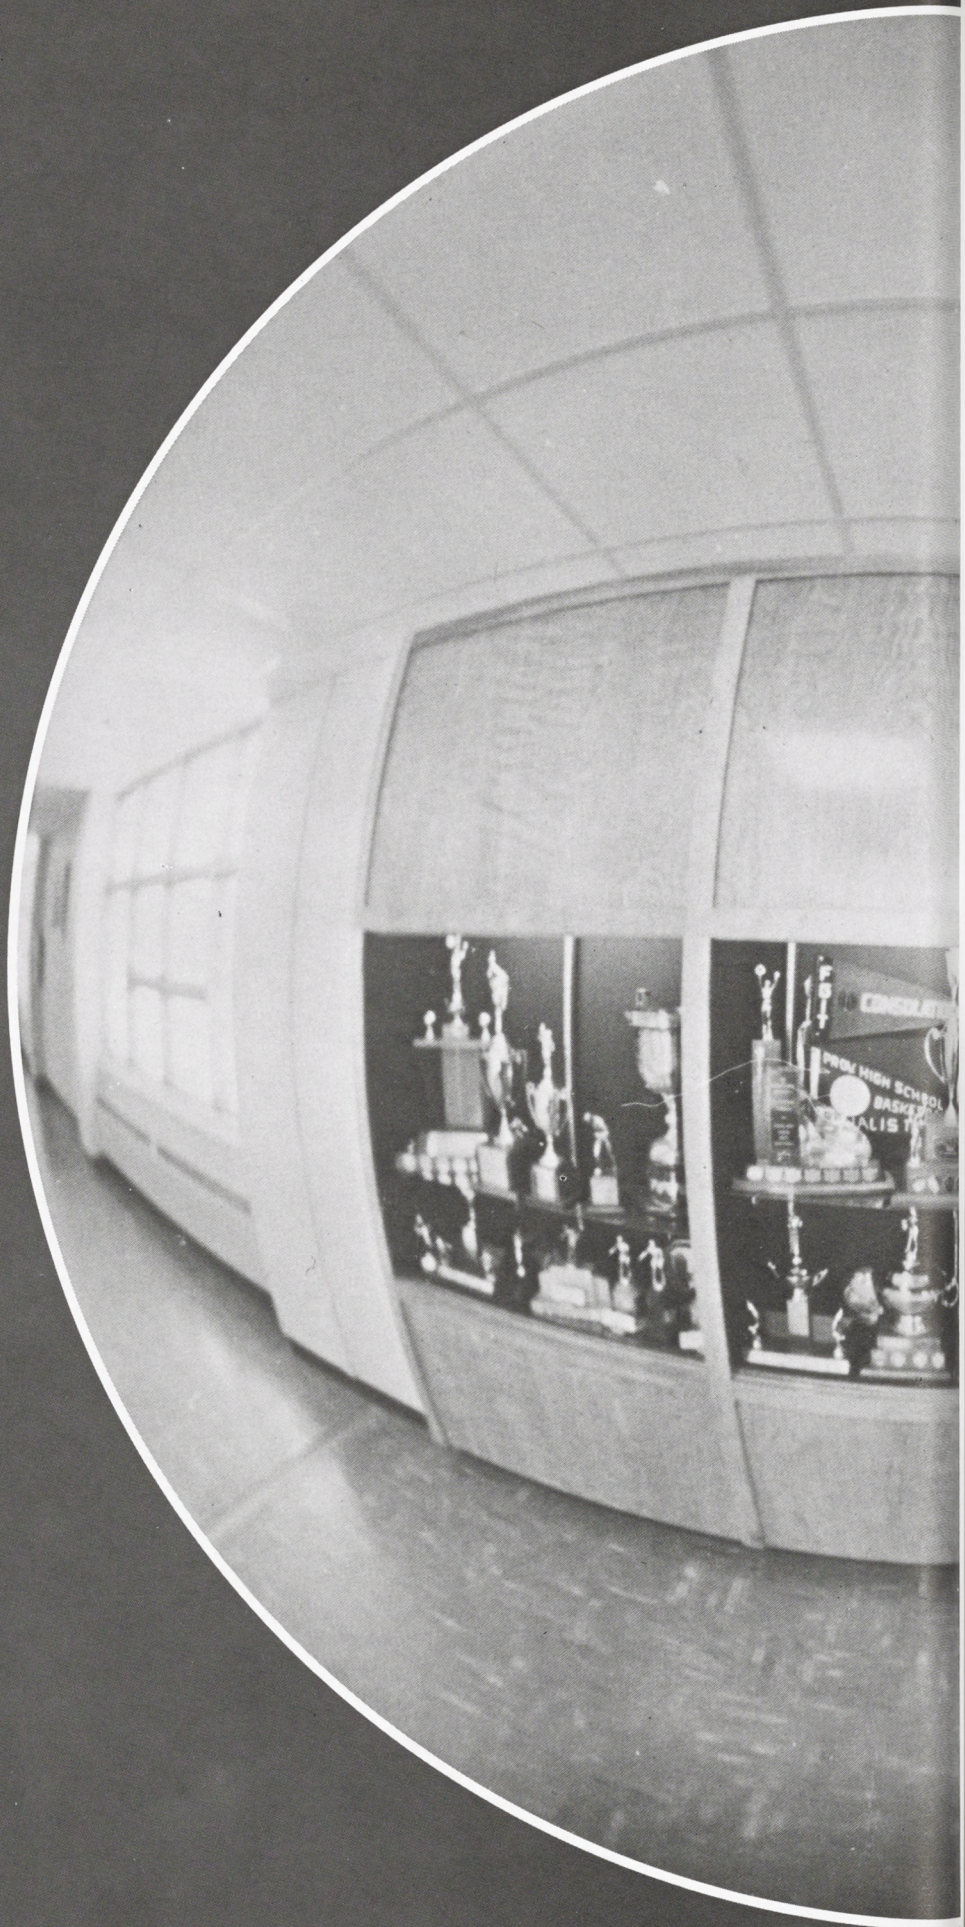

George Bochna

Louise Roh

To our disappointment, this year's May Election was not an election at all because the President and Vice-President won by acclamation. On the day of the deadline for applications, we found that we had only two candidates running for these positions. Therefore, the students didn't get a chance to vote and there was no election campaign because only one person was running for each office. So our Senior High Presidents for the 1968-69 year are George Bochna from Room XI-317 and Louise Roh of XI-313. We, the students of St. John's High School, should feel ashamed that a school of our standing and size, could not get at least two students interested to run for president and two students to run for vice-president for next year. Many members of the senior high teaching staff tried to encourage more students to apply for these top positions but with no results. We hope that in future, this situation will not arise again. On the other hand, we would like to wish George and Louise the best of luck next year and we hope that they will make a great deal of progress in our school.

# Ray Bursten Memorial Trophy

The 1968 recipient of the Ray Bursten Memorial Trophy is Yarema Shulakewych. This trophy is awarded annually to a graduate who maintains a good academic average and shows a promise in sports.

Yarema was a strong cross-country contender this year as well as adding strength and good sportsmanship to the Varsity Volleyball team. Yarema faired excellently in track this season winning the Intermediate 100 yards in both the Inter-High Meet and Provincials as well as being a member of the winning pursuit relay. Yarema, besides being an active participant in sports took on the responsibility as Editor of the SMOLOSKYP ( Ukrainian Torch ) and was able to maintain a respectable average.

## Dingwall Trophy

Three cheers for Micheline Duda! Three years for Micheline Duda! Again this track tiger has taken the Dingwall! At St. John's Field Day she won seven firsts in track and field events, placing second only in the ball throw. At Inter-High in the 60 yard dash, she defeated rival Jackie Rosenberg from Grant Park in a record-breaking time of 7.2 sec. Winning the 100 ( 11.6 sec. ) and 220 ( 26.6 sec. ) she went on to the provincials where she placed second in the 100 ( 11.6 sec. ) and third in the 220 yard dash. During the year, Micheline competed in the cross-country and indoor track meets, coming third in the 320 yard dash at the Red River Relays.

Congratulations, and Good Luck, Micheline.

## St. John's Track and Field Award

The St. John's Track and Field Award is awarded to a boy who makes an outstanding showing at Inter-High and Provincial Field Days. This year's deserving recipient is Ron Shandroski.

Ron participated in cross-country and was a strong contender throughout the season in the primary division in track. In the Inter-High, Ron won the 100, 220 and 440 yard runs. In the Provincials, Ron placed second in both the 100 and 220 yard runs and was a member of the winning pursuit relay team.

Well done, Ron. Best in the future!

# Bowling

BACK ROW: Pam Dekur, Linda Schick, Delores Kehler. FRONT ROW: Barbera Buffle, Rosemarie Prohaska.

The Kilbert Trophy was presented to our girls' bowling team this year by the Winnipeg Five Pin Bowling Association after they captured the city championship. The roll-offs were held at Windsor Lanes in March and Gerta Wassenar and Barbera Buffle qualified to represent the city in Western Canadian finals in Port Arthur during the Easter holidays. The boys team and mixed team also made fine showings at the city tournament.

# Curling

BACK ROW: Ron Wolk, Bobby Harris. FRONT ROW: Gerald Minuk, Michael Pinx.

This was the first season for the newly formed St. John's Curling Team. The rink rose to the occasion by defeating two of the top rural rinks in the province, Glenboro and Brandon. These two victories helped guide St. John's to a record of 9 wins and 2 losses and a spot in the provincial semi-finals where they were finally defeated by a strong team from Hamiota, Manitoba 6 to 4. The rink consisted of Skip--Ron Wolk, Third--Gerry Minuk, Second--Bob Harris and Lead--Michael Pinx.

# Leaders

The gymnastics team as in previous years was taught by Mister Pastuck. This teaching seemed to pay off as the boys went into competition. The class did very well with three boys qualifying for the provincial meet. To qualify Bruce Oige finished first in Tumbling and Free Exercises and third in vaulting. Sheldon Tabak came first in stillrings and vaulting. Gavin Simpson had a few thirds. Their performance in the provincial meet was commendable.

BACK ROW: James Schultz, Steve Balint, Bill Johnston, Tom Besenczy, Lawrence Skibo, Ken Grabonski, Brent Rostas, Andrew Sobkovich, Gavin Simpson. FRONT ROW: Bruce Oige, Sheldon Tabak, Steve Welhasch, Harry Szkwarek, Joe Stetch, Alex Luschyk.

# Track and Cross-Country

FRONT ROW: Steve Zaparnick, Steve Welhasch, Harry Szkwarek, Yarema Shulakewych, Alex Luschyk. MIDDLE ROW: Gavin Simpson, Chris Lorenc, George Markiw. BACK ROW: Sheldon Tabak.

## BOYS

The Cross-Country events of this year were held at several locations such as Assiniboine Park, Churchill and West Kildonan. Our team had a good turnout for the meets, but were not able to win any of the gruelling runs. The boys did their best and gave an all out effort for success, but neither their own nor Mr. Pastuck's efforts could lead them to victory. Thanks are sent to Mr. Pastuck and participating runners and the best for next year.

## GIRLS

Participation in this year's senior high track and cross-country season was low, with only individuals from St. John's competing in the various meets. In the Red River Relay, Micheline Duda set the fastest qualifying time in the 320 yard dash, and placed third in the final.

The Junior High track team, under the rigorous coaching of Mr. Cochrane, won many honours for St. John's. These Tigers brought back the Red River Relays trophy, and won provincial laurels at an outdoor meet held later in the year.

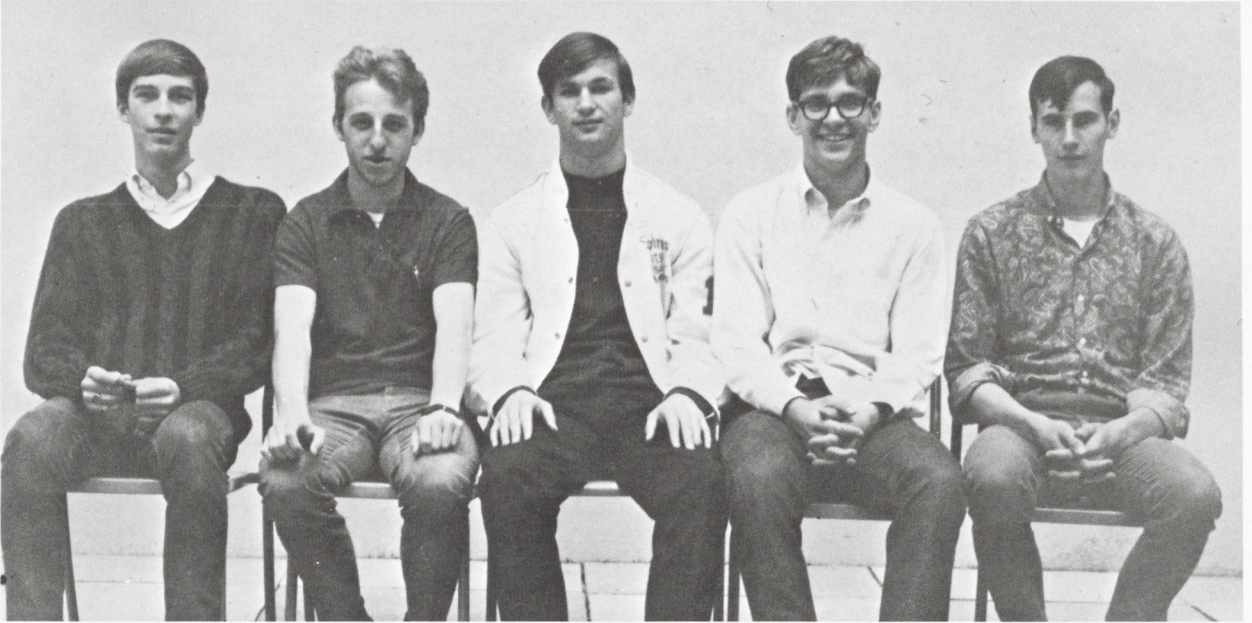

St. John's best track effort was our own field day, where the top athletes in each classification were Heather Cheesman--Primary, Micheline Duda--Junior, Pam Pointon--Intermediate, Joanna Ehrlich, and Annemarie Litschke--Senior. Micheline Duda also won the St. John's track 'J' and the Dingwall trophy for her accomplishments in track this year.

# Varsity Boys' Volleyball

FRONT ROW: Andrew Tarasiuk, Yarema Shulakewych, Harry Szkwarek, Reg Miller, Alex Luschyk. MISSING: George Hekawchuk, Bob Liebrecht, Orest Martynowych, Mr. Dmytryshyn, Coach.

This year the Volleyball team under the able guidance and training of Mr. Dmytryshyn, proved to be a powerhouse and strong contenders throughout the season. They erased their opponents in their division, but unfortunately lost the City title to Kelvin. The team then proceeded to the Provincial Tournament placing first in their division, but once again losing to Kelvin, their arch-rivals, in a hard fought struggle during the semi-finals. Congratulations are in order to the team members for their fine display of sportsmanship and skill and also to the neverending work that Mr. Dmytryshyn put into making the team a success that it was.

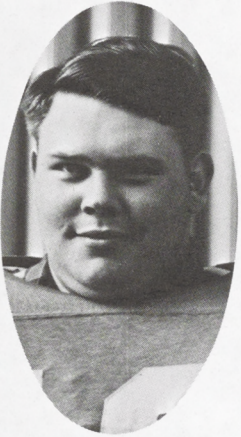

## Badminton Champions

## Goldstein Trophy

Ian Schaeffer

Gerald Barron

This trophy is annually awarded to a football player who has contributed most to the team in the respect of leadership and sportsmanship. This year the honour is being divided between two outstanding players--Ian Schaeffer and Gerald Barron.

Both these players have provided able leadership as well as fine sportsmanship and even awarded scholarships to Simon Fraser University for their fine efforts.

Congratulations boys and all the best in your future endeavours!!!

TOP ROW: Rick Andrysiak, Stan Banasiak, Bob Bryk, George Chul, Greg Humniski, Richard Jackiw, David Kives, Terry Koren, Walter Kosarych.

MIDDLE ROW: Laurie Landy, Bob Liebrecht, Henry Majewski, John Marinic, Nathan Meltzer, Reg Miller, Wayne Misyk, Ted Monk.

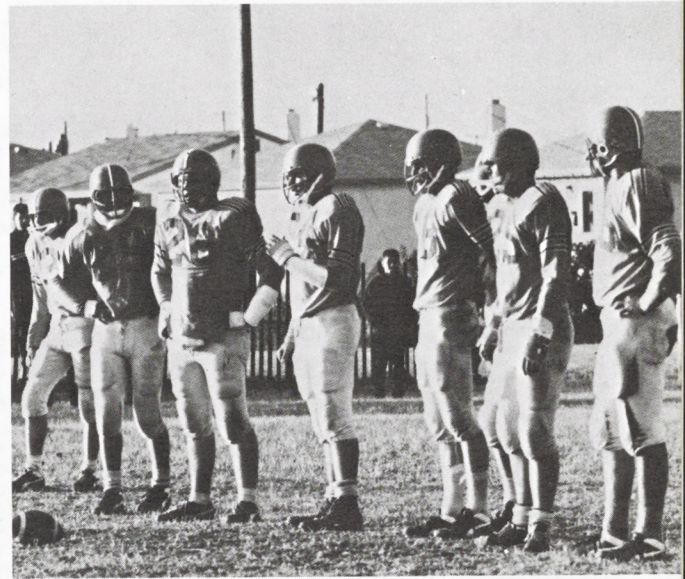

BOTTOM ROW: John Neil, Jim O'Neil, Chris Popiel, John Radziszewski, Allan Simmons, Bruce Wierbicki, Larry Wierbicki, Patrick Wozney, Cliff Yaffe. MISSING: Coach, Mr. Hinkel.

St. John's Tigers roared all the way this year with an exceptional performance during the season; but were unfortunately disqualified due to the ineligibility of two grade 9 students on the team.

The Tigers this year finished with an even 3 loss-3 victory season. They overcame Tec-Voc, Elmwood and Sisler and their losses went to Daniel MacIntyre, Churchill and Kelvin. The captains of this year's team were Ian Schaeffer and John Marinic. Extra honours should be given to Ian Schaeffer who was chosen as a City-All-Star and along with Gerald Barron was offered a football scholarship to Simon Fraser University.

A persistent Mr. Hinkel and Mr. F. Humniski must be congratulated for their great coaching despite the circumstances and all the best for the upcoming season. Congratulations to the football team and the best of luck to Ian Schaeffer and Gerald Barron!!!!

# Varsity Boys' Soccer

BOTTOM ROW: Steve Welhasch, Sheldon Tabac, Morris Matviychuk, Capt.; Joe Stetch, Harry Szkwarek. SECOND ROW: Alex Luschyk, Greg Berko, John Tabar, Myron Tarasiuk, Mr. Turner, Coach. THIRD ROW: Bob Harris, Patrick Iveniuk, Andrew Melnyk, Bill Luschyk. FOURTH ROW: Jack Graff, Ray Michalenko, Glen Derback, Karl Hergenroeder, Manager.

Our Varsity Team has brought home all three high school soccer trophies for the second consecutive year, those being city, metro, and provincial champions. St. John's captured the city by defeating Gordon Bell, increasing their string of victories to eight wins and one tie. Losing no momentum the boys went on to defeat West Kildonan and Daniel Mac thus winning the metro and provincial finals respectively. Under the capable and well-trained hand of Mr. Turner, St. John's has become a "soccer school" and no doubt will continue to bring back championships over the coming years. Again although the team was well balanced special notice must be given to the superb efforts of Morris Matviychuk, Sheldon Tapac, and Harry Szkwarek.

THIRD ROW: Dennis Dziver, Joe Lesuik, Zenon Hluszok, Gerry Holmes. FOURTH ROW: Mr. Hodgkinson, Coach; Ivan Feriolo, Manager; Mr. Johnson, Coach.

This year the freshmen edition of St. John's soccer successfully completed the year without a single loss, thus winning the city finals. Although an official provincial championship has not yet been established, the freshmen won the equivalent by defeating the suburban champions. Under the able coaching of Mr. C.W. Johnson and Mr. Hodgkinson, the team was sparked to nine consecutive victories against other city teams. Although the team was fairly well balanced, special mention must be given to players such as Roman Baron and Harry Maister who led the team to victory.

# Varsity Boys' Basketball

BOTTOM ROW: Myron Tarasiuk, Manager; Karl Hergenroeder, Mr. Pastuck, Coach; Bill Luschyk, Henry Majewski. TOP ROW: Richard Jackiw, George Hekawchuk, John Tabar, John Michalchyshyn, Charles Frank and Glen Derback, MISSING: John Marinic.

This year the Tigers could not really get rolling, finishing sixth in the overall standings. Although not lacking in ability the team lacked the bench depth and experience that the other clubs possessed, thus accounting for their poor finish in league play. However, in tournament play the team didn't do quite as badly. Entering the Daniel Mac, Windsor Park and Luther tournament. During league play the team won three and dropped five while for overall games they won eight and lost twelve. Although no one made the All-Star Squad, John Marinic, George Hekawchuk and Richard Jackiw added greatly to whatever progress the Tigers showed this year. A thanks must be extended for the efforts of Mr. Pastuck.
